

ARUNACHAL PRADESH
PUBLIC SERVICE COMMISSION
ITANAGAR

No. PSC-R(B)/03/2018

Dated Itanagar, the 8th July' 2019.

ADVISORY

To the great annoyance and dismay of the Commission it is reported in some social media that some unscrupulous persons are said to be demanding / asking for money in the name of Commission from some candidates / parents with an assurance to get selected in some posts for which test / interview have been conducted recently. Such allegation of demanding money by the Commission is totally false, misconceived, frivolous, full of lies and malicious.

Apparently, some syndicates are working over night to extract money from gullible candidates and concerned parents through unethical and deceitful means. Their modus-operandi seems to be by convincing candidates and / or their parents that they can ensure selection in the test / interview conducted by the Commission if they offer money. The Commission reiterates that it does not accept any money for jobs and it is committed to fair and unbiased selection based on merit only.

Therefore, all the candidates and parents are requested not to fall prey to any one asking for money with assurance of selection in any test / interview conducted by the Commission. If anyone approaches like this, the candidates / parents are requested to lodge an FIR to ensure that the culprit is brought to book.

All NGOs, individuals and general public having concern for a clean system in the society are requested to keep vigil on such unscrupulous and unethical wrongdoings and bring to light for appropriate legal action and public reprimand.

The state Govt. is also requested to alert the vigilance department to keep an eye on such vicious activities and take stern and exemplary legal action on the culprit whenever brought to light so that such nefarious and unhealthy activities do not recur in future.

Issued in public interest by order of the Commission.
