

Junior Engineer (JE)

The syllabus for the **General Paper** (General English, General Studies & Aptitude) **(150 marks)**:

General English:

This part tests basic language skills, including grammar, vocabulary, reading, and understanding texts.

Note: The paper will be of matriculation or equivalent standard.

General Studies:

This part checks the candidate's awareness of the world around us. It covers current news, recent scientific and technological updates, everyday observations, and important issues at the International, National and Regional level (North-East India with special reference to Arunachal Pradesh).

Aptitude:

This part includes questions to test logical thinking, math skills, analytical abilities, and engineering mathematics. It also covers questions on ethics and values related to the engineering profession.
